

Canadian Crew Application Summer 2026 – Roskilde, Denmark

During the summer of 2026, Atlantic Challenge Canada will be participating in the International Contest of Seamanship in Roskilde, Denmark. The Crew will be made up from individuals like you to represent Canada at the event being held July 6-14.

Important Information: The Atlantic Challenge International Crew experience requires a substantial commitment of time, effort and finances (information below). You will be doing overnight training on the weekends of May 23rd/24th, June 6th/7th and June 20th/21st before heading to Denmark on the 1st of July. While the experience is immensely rewarding and personal growth is guaranteed, it is not a vacation. Participants will be required to have a valid passport prior to travel to Denmark. Feel free to discuss this with ACC volunteers and with your parents in advance of applying if you have any concerns.

Please send your application package by May 8th, 2026 to:

Please attach your answers to the following questions to your application:

- 1) Why do you want to be part of the Canadian crew for The International Contest of Seamanship? What do you hope to gain from your experience?
- 2) How did you hear about Atlantic Challenge Canada?
- 3) What are your future plans, ambitions, and personal goals?
- 4) Describe three of your strengths and weaknesses and how you think they will affect your ability as a crew member.
- 5) List any related experiences (i.e. sailing, rowing, other sports, outdoor education etc.) and how you feel these will benefit yourself and the crew. (Please note; previous rowing or sailing experience is not required to participate.)
- 6) You have been shipwrecked on a deserted island in a flash storm somewhere near the coordinates 60°N, 30°W. You were the only survivor, and there were only a few items that you could recover from the wreckage. List the items below in order of necessity and explain why you've chosen that order.

iPhone, small piece of reflective material found on the beach, pocket knife, 3 dry matches, a PFD, compass, flare gun, a cup, hand sanitizer, Nintendo Switch 2, 4 fathoms of rope, miscellaneous pieces of paper, a blanket sized piece of sail material, and the ship's bell.
